Autumn

The sky ~~is~~ filled with leaves, autumn's snow, on the earth. The giddy children ~~have~~ the brittle leaves in piles and can smell their earthy aroma. Chocolate chip cookies ~~are~~ baking to gooey perfection in toasty kitchens as the wind ~~goes~~ around the house. The trees ~~are~~ sad as they let ~~go~~ of the crimson leaves. The harvest moon ~~is~~ behind a cloud and ~~is~~ high up above during this autumn night.
