

# The New Kid

Manny liked the new kid, Jack. Manny asked Jack to come over after school. The two boys had a great time.

Manny wanted to go to Jack's house next. But Jack never asked him. Manny felt hurt and angry.

Then Manny saw where Jack lived. The building was rundown and in a bad part of town. Manny thought Jack might feel bad about where he lived. He guessed that was why Jack hadn't asked him over. Manny didn't feel angry anymore.
