

Launching the Writer's Workshop

Grades 3-12

A framework of lessons to help launch your writing year

SIMPLE & EFFECTIVE STRATEGIES TO IMPROVE ACHIEVEMENT IN WRITING

Online Workshop Overview

Many teachers have confessed that they struggle to get their writer's workshop off the ground. *What should I do the first weeks of school? What are key lessons to jump-start my writing curriculum? How fast or slow should I move?* Regardless of the writing model you're currently using, this online workshop provides teachers in grades 3-12 with a powerful framework of lessons that can help launch their writing year. Throughout the workshop, teachers will have the opportunity to plot and plan their own instructional calendar for teaching writing during the first six weeks of school. At the end of the online workshop, teachers will be ready to launch their writer's workshop with their personalized blueprints in hand!

"I finally feel like I have a handle on how to approach writing. As a middle school history teacher who has to also do a period of writing, this has been invaluable. Loved it!"

Your handbook for teaching writing

The first seven sections of this resource will help you start (launch) your writer's workshop. They include procedural lessons and strategies essential for establishing classroom management and building writer independence. Depending on your grade level, this "launch" lasts three to six weeks.

Once you've launched your writing instruction, use sections 8-13 to help you plan the rest of your year. There are more than 50 detailed writing lessons organized by the 6 Traits of Writing. However, these lessons are not to be taught in the sequence they are presented. Rather, spiral through them based on writer needs and the unit focus. Each section identifies the lessons appropriate for the three modes of writing: persuasive/argumentative, informative, narrative. Grade-level specific priority lessons are suggested per unit of study on pages 5-7.

A planning calendar (pp. 8-9) will help you plot and plan which lessons you'll utilize to launch and sustain your writer's workshop. (A PDF and editable Word version of this planning calendar are available via the online resource.)

A PRESENTER

Kristina has a gift for making the complex seem simple—for showing teachers how to meet the needs of readers and writers by bridging the gap between education research and practical, classroom-tested strategies that work. When she presents at state and national conferences, teachers flock to her sessions because they know Kristina will share strategies they can use in their own classrooms the very next day.

But beyond providing teachers with practical classroom techniques, Kristina is also a master at giving educators the motivation and encouragement they need to return to their classrooms with confidence and excitement to execute change. To stay connected, Kristina sends out a weekly newsletter, "Big Ideas." Thousands of teachers watch their email each Tuesday for it to arrive.

AN AUTHOR

Well known for offering innovative ideas, Kristina has created more than 50 "Smekens Originals," a compilation of books, guides, and classroom tools designed to help teachers implement best-practice literacy strategies. Among the most popular of these resources are her best-selling books, *Launching the Writer's Workshop: Grades K-2* and *Grades 3-12*. Other popular publications include *The Trait Mate: 6-Traits Starter Lessons*, *Connecting Comprehension*

A CRAFTER

Beyond books and physical teacher tools, Kristina has also created a library of on-demand professional learning videos that are utilized by teachers around the world. With topics ranging from "Building Kid-Friendly Writing Rubrics" to "Achieving a Close Reading," each of Kristina's "webPD" videos uses a seminar-style format to capture her energy and enthusiasm while conveying her teacher-friendly ideas.
