# INFORMATIVE LETTER WRITING

Dear Spring,

I can't wait until the soothing smell of the freshly cut grass and the gorgeous rays of the sun will rock me to sleep on the soft hammock. When I'll jump into the cool April

shower puddles I'll feel so refreshed! I just can't wait until Easter. Finding the colorful eggs will be fun! I usually leave some eggs for the little kids.  
Spring Rules!!!!!!!!!!!!!!

Love,  
Kylynn
