
Candy-Heart Conversation

“Hey babe,” he said, sauntering up to me at the school dance. “Time

two dance,” he said, pulling on my hand.

“Shake it,” I challenged him, jokingly.

“Go, go, go!” he said, complimenting my moves.

“Step up,” I urged him to keep up with me.

“Game on,” he replied, dancing even faster.

“You rock!” I laughed.

Candy-Heart Conversation

Create a dialogue between characters using the messages on the conversation candy hearts below. Identify which messages you want to use; list those within the box. Then write out the dialogue on the backside of this handout.
