

Dear Spring,

I can't wait until the soothing smell of the freshly cut grass and the gorgeous rays of the sun will rock me to sleep on the soft hammock. When I'll jump into the cool April shower puddles I'll feel so refreshed! I just can't wait until Easter. Finding the colorful eggs will be fun! I usually leave some eggs for the little kids!
Spring Rales !!!!!!!

Dear Winter,

I will miss you
ALOT!!! I will miss sledding
and snowboarding! I will SO
SO miss snowball fights! I
will miss the snow and
snow forts! And heres one
thing that I will TOTALLY

miss from you... SNOW
DAYS! Snowdays
sometimes keep you from
school sometimes they don't!
Next up is spring and
no snow! Good bye Winter!

Love,
Sonia

Dear Summer,

I'm sad that you have to leave. I miss splashing in the cooling pools and the watermelon rushing down my neck like a volcano. I like the waves rushing over me. I will miss you now that fall took your place.

Your friend,
Ellie
