

Persuasive Prompts for Primary Writers

I should get to stay up later on school nights.

I wish we could eat pizza every night at home.

I wish we could go on more field trips.

I want to be able to earn treats for good grades.

I want recess to last longer.

I would like to have a TV in bedroom.

I want to have friends over after school every day.

I want to get a puppy.

I would like to get to eat candy for breakfast.

I want to watch cartoons every day after school.

I wish I could have more than one cookie with the school lunch.

I want to build a tree house in my backyard.

I wish I could paint on my bedroom walls.

I want to sleep outside in a tent.

I wish we'd never have homework.

I want to get to eat dessert before dinner.

I wish we could sit wherever we wanted.

I wish we could talk all the time during school.

I want to have free time after lunch every day.

I wish we could watch a movie every Friday.
