

THiNK, iNK,

PAIR,

SQUARE.

THiNK, iNK,

Explain why it is important to learn specific skills for certain jobs?

Some jobs are special, and the person needs special training.

Mrs. Smekens

Explain why it is important to learn specific skills for certain jobs?

Some jobs are special, and the person needs special training.

Mrs. Smekens

Certain jobs are harder and require more practice.

Mr. Bieber

SQUARE.

Explain why it is important to learn specific skills for certain jobs?

Some jobs are special, and the person needs special training.

Mrs. Smekens

Certain jobs are harder and require more practice.

Mr. Bieber

Doctors learn different skills than mechanics. You don't want a mechanic operating on you, do you?

Mr. Smekens

To be good at a job you need to learn a lot and get lots of practice.

Mr. Henley

Explain why it is important to learn specific skills for certain jobs?

Some jobs are special, and the person needs special training.

Mrs. Smekens

Some jobs require special training and lots of practice. For example, doctors learn different things than mechanics. Nobody wants a mechanic operating on them!

Certain jobs are harder and require more practice.

Mr. Bieber

Doctors learn different skills than mechanics. You don't want a mechanic operating on you, do you?

Mr. Smekens

To be good at a job you need to learn a lot and get lots of practice.
